Finding your style

Opening Inspiration

Considering the details such as door furniture when designing or renovating your home is critical to the final impact you wish to achieve.

Door furniture can enrich and inspire an interior style, creating harmony and depth throughout your spaces. This guide is designed to show the impact door furniture can have, and the style choices it can unlock.

When choosing door furniture, think about the functionality and style of your home, the door design and finally what finish reflects your style. As highly tactile touch points within the home, selecting high quality handles, latches and knobs is a decision that will reflect your style and endure for years to come.

Aged brushed copper

“Use this finish to enhance other warm rose copper coloured elements in the home or offset against complementary colours such as greens and blues.

- Jenni

Steeped in tradition, Aged Brushed Copper brings rich depth to contemporary style.

Charming

The charming nature of Aged Brushed Copper can be complemented with trending colours like sage green to freshen an interior with a nod to sustainability.

Textural

Complementing reflective surfaces with Aged Brushed Copper allows light to fill the environment creating an open and modern look.

Authentic

Specify authentic natural stone, marble and timber to enhance the beauty of the Aged Brushed Copper door hardware which has depth of colour with an underlining pink tone.

Matt Black

02

“ Match door furniture and tapware finishes for a sleek and sophisticated modern interior.

- Jenni

From Hamptons to Modern Farmhouse, Matt Black hardware immerses any space in style and luxury with a modern edge.

Expressive

Pairing Matt Black with lighter surfaces and dark features creates a sense of thoughtful drama.

Contemporary

Create a contemporary statement without sacrificing warmth by pairing Matt Black with warm Honeyed timber flooring or joinery elements.

Sophisticated

Match Matt Black hardware with taps and other fixtures to restore classic harmony in your home.

Satin Brass

03 “ Beige paint, rich timbers and travertine enhance the natural tones of the Satin Brass finish for a warm touch of Scandinavian hygge.

- Jenni

Elegant and eye catching, Satin Brass is just as striking with the human Boho as it is with modern Art Deco.

Warmth

Introducing Satin Brass to natural materials adds warmth that feels inviting, creating a home that wants to be lived in.

Elegance

Use Satin Brass to soften stark white spaces and make them feel elegant, inviting and friendly. Satin Brass is an elegant choice to bring personality to high white styles like Scandinavian and beach side.

Modern take on yesteryear

Satin Brass door hardware can be layered with light fixtures and furniture connecting to the timeless elegance of Art Deco or Regency with a modern streamlined shape.

Satin Chrome

04

“ A versatile finish that works well with crisp cool colours, choose this finish to embody a sense of calm in a Coastal inspired interior with lots of natural light and layers of blue.

- Jenni

Flexible and elegant, Satin Chrome adds brilliance and shine to both dark and light palettes.

Timeless

For a classic and enduring style combine soft, cool palettes and finishes with Satin Chrome hardware. Selecting complementary elements help make a space feel considered and lasting.

Versatile

Satin Chrome's metallic shine can be paired with contrasting tactile surfaces to create interesting and beautiful modern spaces.

Calming

Use Satin Chrome to create light filled, fresh touches for styles such as Hamptons and Farmhouse or even to modernise mid century styles.

Satin Graphite

“ Mix metals, linens and organic shapes with this finish to add depth and interest to your Japandi interiors.

- Jenni

Satin Graphite's deep tones imbue quality and strength into interiors designed to make a mood rich impact.

Moody

Use Satin Graphite with other dark tones to create a deep, moody and dramatic look in your home, reminiscent of the Japandi style.

Structured

Create a bold and structured space by pairing Satin Graphite with strong monolithic sharp forms.

Bold

Satin Graphite has the flexibility to be paired with other deep tones, natural organic materials and metals, creating a bold, impactful and confident statement in your home.

Bright Chrome

06 “The clean lines of bright chrome can seem Futuristic, transforming your home interior creating hierarchy. Try to find furniture and lighting with chrome details for an overall harmonious interior.

- Jenni

Alluring and fresh, Bright Chrome creates a gleaming connection to tomorrow.

Futuristic

Blend Bright Chrome with stainless steel and aluminium joinery for an on-trend, architectural futuristic interior. Pairing metal tones will create harmony and connection throughout your home.

Clean

Bright Chrome reflective qualities are perfect for creating a clean and minimalist interior. Specify light blonde timbers to create a warm Scandinavian aesthetic.

Allure

Bright Chrome will transform a home and bring a sense of prestige when paired with traditional details such as arches, high ceilings and decorative cornices, architraves and ceiling roses.

Designed to impress

From contemporary, modern and industrial to mirror-like Art Deco, Traditional Rustic or Hollywood Glam, Gainsborough has a finish to enhance your personal style.

About us

At Gainsborough we're all about opening a world of new style possibilities in door and access solutions.

For over fifty years we have built our reputation on developing and producing leading-edge door hardware – innovative levers and locks that work silently to reflect your style and needs. With Gainsborough, you don't need to sacrifice style for security, because we know the most important thing isn't what's on your door, it's what's behind it.

Contemporary style

Door furniture shouldn't be an afterthought.

We pride ourselves on being at the forefront of design trends, consistently ensuring our products use the latest in contemporary materials and finishes.

Our products add the perfect finishing touch to any home or building, from the first impression of the entryway, to small accents of style in any room. And with our finger on the pulse, we're ready to adapt to the latest trends and continue to bring Gainsborough's signature style to Australian homes.

Making life easy

Gainsborough's products are made for everyday living.

Our focus is on people, and creating products that make their lives easier. It's why we invest in the latest technology that makes style and security simple from the first install, to coming home every single night.

Our goal isn't to complicate our customer's lives with the latest gadgets, but to simplify and improve their day-to-day through user friendly products, bringing innovation and convenience.

Peace of mind

For over 50 years, we've been proud to keep Australian families safe and secure in their homes.

It's a responsibility we take seriously, and it drives us to develop products that not only look great, but function as reliable, secure and trustworthy elements of your home. Peace of mind is built into every product.

Gainsborough is the experienced and trusted name in door furniture that protects Australian homes and families.
