

M&B premium timber door

FRAMES

& custom joinery

energy efficient - ecofriendly - noise reduction - quality joinery

M&B is recognised as one of West Australia's leading manufacturers of premium timber joinery door frames and doors. Quality and durability guaranteed every time.

Using environmentally friendly methods and materials in joinery construction. Superior stability and structural reliability whilst maintaining the warmth and visual appeal of solid timber at its very best.

Energy efficient Enviro-Seal Frame

M&B Frames & Custom Joinery

- Energy efficient + noise reduction frames
- Ecofriendly timber species: Surian Cedar, Tasmanian Oak, Imported Hardwoods & Jarrah
- Enviro-Seal Frame features a self draining aluminium tread & weather-seals on entire frame
- Double rebates available allowing easy fitting of flyscreens & security screens
- Reduce heating and cooling with door seals
- Prevent wind rattling + ensure a "hushed" sound of the door closing
- Shut the door on energy loss & draughts
- All joinery timber is sourced from sustainably managed forrests
- Sidelites, highlites and winglites options available
- Specialists in custom design
- Specialists in bi-fold/alfresco + pivot doors

Over 38 years experience in timber joinery.
