MATT BLACK RANGE

At the forefront of style and innovation, Gainsborough's Matt Black Range provides a blend of contemporary and chic; perfect for homes looking to showcase the latest trends.

The Matt Black Trilock highlights contemporary design at its best. Featuring concealed fixings, the Trilock provides a sleek, modern finish.

PASSAGE SET CONVENIENCE

When Trilock is unlocked and unsnibbed, it operates as a standard passage set, allowing free access in or out of the home.

LOCKSET WITH SAFETY

Pressing the privacy button on the inside of the door engages the Trilock lockset mode. This locks the door from the outside, however it is safe to exit without a key in an emergency by simply operating the inside lever.

DEADBOLT SECURITY

Trilock houses a key-operated double cylinder deadbolt, with a sturdy 20mm throw, to keep possessions and valuables safe whilst the home is unoccupied. Single cylinder version features inside turn-button.
